

BATI GOZEN

BASIC INFORMATION

Maastricht, Netherlands
batigozen@gmail.com, -
Date of birth: November 25, 2004

OBJECTIVE

Third Year Computer Science Student at Maastricht University

LANGUAGES

- English (Native)
- Turkish (Native)
- German (Beginner)

PROJECTS

Comparison Of Cryptography Algorithms

Jan 2025 – Jun 2025

We compared different hashing algorithms by changing the parameters such as the key size, group size, and the message size to determine the trade-offs.

Machine Learning Algorithms In a Game

Sep 2024 – Jan 2025

Using Unity Engine and Python libraries, we tried different machine learning algorithms to test which performs better and adjust the hyperparameters for the best result.

Maps Application

Feb 2024 – Jun 2024

We designed a user-friendly Java application using JavaFX, similar to Google Maps. Users can choose between walking, cycling, or taking public transport, including transfers between buses. The application also allows users to customize several settings, such as the distance calculation method.

Knapsack Problem

Sep 2023 – Feb 2024

Using Java, we designed an application where you can select between multiple algorithms to solve the knapsack problem which will fit the items in a space in the most optimal way

Building a Smart Glove

Sep 2025 – Present

We are building a Smart Glove for the company "Thomas Regout International", which digitally reconstructs the 3D scene around them.

WORK EXPERIENCE

Windsurf Instructor

July 2022 – September 2022

Bojark Windsurf Club

I have been windsurfing for nearly four years, and in July 2022 I started working as an official windsurf instructor at Bojark Windsurf Club in Bodrum. Through this experience, I developed skills such as leadership and time management, and I also learned how to earn money and understand its value. Overall, it was a great experience for me.

QUALIFICATIONS

Main Skills:

- Cybersecurity
- AI and Machine Learning
- Software Engineering

Knowledge:

- Java (Maastricht University)
- Python (Maastricht University)
- C (Maastricht University)
- SQL (Maastricht University)
- Bash (Maastricht University + External Sources)
- Javascript (Udemy)
- HTML (Udemy)
- CSS (Udemy)

TOOLS

- | | |
|--------------|----------------|
| ■ Kali Linux | ■ Nmap |
| ■ Burp Suite | ■ Metasploit |
| ■ Excel | ■ Numpy |
| ■ Pandas | ■ Scikit Learn |

COURSES

Penetration Tester Path – Hack The Box	Jan 2023
Junior Penetration Tester Course – INE	Aug 2023
CCNA Network – INE	Feb 2025
Learn Ethical Hacking From Scratch – Udemy	Mar 2021
Python for Data Science and Machine Learning Bootcamp – Udemy	Sep 2024

CERTIFICATES

Junior Penetration Tester Path – HackTheBox	Aug 2025
Ethical Hacking Certificate – Tryhackme	Aug 2022
Windsurf Instructor Certificate – Bojark Windsurf Club	Aug 2023

EDUCATION

Computer Science University of Maastricht	September 2023 – June 2026
International Baccalarate Mef Schools	September 2020 – May 2022
Mef Lise Diplomasi	September 2018 – June 2022

Mef Schools

EXTRACURRICULAR ACTIVITIES

Attendance Certificate For Voluntary Services Association
Gonullu Hizmetler Dernegi, Estonia

Jun 2018 – Jul 2018

Saving an SMA Patience
Mef Schools, Istanbul

Oct 2022 – Dec 2022

Cas Fair
Mef Schools

2021

Tok Fair
Mef Schools

2021

HOBBIES

■ VFX, Music Mix and Mastering, Windsurfing,
Snowboarding
